Application to de-list Arasor from the ASX

Arasor International wishes to announce that Resolution 3 - De-list the Company from the ASX- proposed in Arasor's Notice of Meeting to its annual General Meeting on Friday 25 February 2011 will not now be put to the General Meeting.

As a result of the progress that the Company is making regarding a settlement in relation to its debt and guarantee obligations, and interest shown by third parties in selling their business to the Company the directors consider that there is some prospect of restoring value to shareholders.

Whilst there are still a number of issues to resolve sufficient progress has been made for the directors, at least for the time being, to withdraw the resolution to de-list the Company from the ASX.

The resolution will therefore not be tabled at the forthcoming AGM which will be held on Friday 25 February 2011 at the offices of HLB Mann Judd (SA) Pty Ltd, Dowie House, 83 -89 Currie Street, Adelaide SA 5000.
